

ABOUT THE JUNIOR LEAGUE OF TAMPA

The Junior League of Tampa (JLT) represents over 2,000 of the most influential, engaged, and talented women in the Tampa area. Our members not only devote their time and resources to serving the community, but also primarily work outside the home, have extremely high degrees of education and home ownership, and actively support businesses that support the League. By sponsoring The Junior League of Tampa, companies achieve extraordinary returns on their investment. These include:

- Building and strengthening your company's visibility among JLT's 2,000+ members
- Reaching a highly influential group of women homeowners and financial decision-makers
- Brand affiliation with one of the most highly-regarded and effective charitable organizations in Tampa
- Recognition among media, public officials, and important community partners as a company who gives back to the community through supporting JLT
- Exponential value on every dollar donated due to the enormous number of volunteer hours JLT devotes to people in need (more than 60,000 hours each year)

We view our sponsors as critical partners in our efforts to achieve JLT's mission of promoting voluntarism, developing the potential of women, and improving communities. Through our work together, we not only can make Tampa better today but also can build a sustainable organization of committed civic leaders who will improve our city's future.
