

THE JUNIOR LEAGUE OF TAMPA

The Junior League of Tampa (JLT) is an organization of diverse women leaders who are catalysts for community change. Founded in 1926, JLT has over 1,900 volunteer members who live and work in the Tampa Bay area.

The Junior League of Tampa leverages the power of our volunteer members to create lasting community change. JLT focuses on three main areas of impact; basic needs, child welfare, and education. We work with local nonprofits and agencies to fill the gaps, ensuring women, children, and families in our community thrive. Our members bring their expertise and develop their skills as they work in the community.

The Junior League of Tampa has been positively impacting the Tampa Bay region for over 95 years. As an organization driven by collaboration and partnership, we seek out others who share our mission and values. Our donors and supports are able to support big picture community programs, while so receiving recognition among our members and beyond.
