

Join Us on World Day Against Trafficking

**ALL HANDS
ON DECK**

All Hands On Deck isn't just a call, it's a community rising!.

Because Human Trafficking doesn't end with awareness alone.
It ends with action.

This year, in Partnership with the Junior League of Tampa; we're calling on our community to stand boldly beside us to raise awareness, inspire change, and take meaningful action for the children who need us most.

Because when every hand is on deck, every child stands a chance.

We hope you'll join us

what: All Hands on Deck is a family-centric event featuring a collaborative hands-on community art project for families and kids of all ages.
